Sharkoon

SQUAD
LASER MOUSE

convenient and precise

The Squad is a compact laser mouse with six buttons, which is suitable for both office use and gaming alike. Thanks to its ergonomically shaped housing, the squad is very good even in small hands. The specially coated surface provides additional support during stressful office days or while gaming. The mouse is connected to the computer via USB. The DPI number can quickly and easily be adapted to individual needs.

FEATURES

- Laser sensor
- 6 buttons
- Ergonomic design
- Rubberized surface for maximum grip
